Furlined has teamed up with GreenReel to spearhead Zero Waste efforts, aiming to divert over 90% of our production waste away from landfills and diminish our carbon footprint. Recycling and composting will be integrated on set, while reusable materials will be contributed to support the local community.
Don't forget to bring your reusable water bottles! To keep the planet happy, we've set up water dispensers to cut down on single use plastics.
Got any old gadgets lying around? Bring them along for our e-waste drive! Batteries, computers, peripherals - you name it. Just drop it off at the GreenReel table each day.
If you've got gently used clothes gathering dust, let's give them a new lease on life. They'll be donated to a local shelter or organization, so long as they're clean and in tip-top shape. Please no undergarments - let's keep it classy!
Dispose of your waste like a pro - we've set up ReelCycle stations for recycling, compost, and. landfill with clear signage to make it a "zero-waste" production. Help your team out by tossing your waste in the right place and save them the hassle of sorting it at the end of the day.

FURLINED IS COMMITTED TO A GREEN SET — REUSE • RECYCLE • REDUCE

EMPLOYER OF RECORD NEW CAPS, LLC • 2300 EMPIRE AVE. FIFTH FLOOR, BURBANK, CA 91504 • (310) 280 0755

FURLINED'S PAY SCHEDULE IS WEEKLY - Wages earned Sunday through Saturday ("Payroll Period") will be paid within seven calendar days following the close of the Payroll Period.

IMPORTANT, PLEASE READ: Meal and rest breaks are important. You should turn off your radio/walkie talkie, should not answer work calls/emails/texts, and are relieved of all work duties/responsibilities during these breaks. If you do not receive any of your breaks (in full and timely), please contact production immediately.
